

THE Grand

GROUND LEVEL

Our Ground Floor Level offers two fully-stocked Premium Liquor Bars with a total of six bartending wells. The updated dance floor is a blessing for tired ankles. The three separate levels of elevation make it easy to see all the action. Guests standing on the ground level can indulge in a variety of production elements such as confetti cannons, CO2 cannons, industrial bubble machine and much more.

MEZZANINE LEVEL

Our Mezzanine Level offers two fully-stocked Premium Liquor Bars. The two separate levels of elevation make it easy to see all the action. Guests standing on the mezzanine level can enjoy a magnificent view of the stage and the main dance floor.
